Prez sez

This week I want to share the vision of the 'Rotary Peace and Conflict Studies Program'.

"The Rotary Peace and Conflict Studies Program was established to provide professionals from around the world the opportunity to be trained in conflict resolution and mediation strategies and to become better equipped to help prevent and resolve conflict, as well as foster policies and create settings that ensure peace, worldwide. Offered in English, the program is aimed at mid- to upper-level professionals in governments, nongovernmental organizations, and private corporations. Beginning July 2006, the intensive three-month course housed at the newly established Rotary Center for Peace and Conflict Studies at Chulalongkorn University, Bangkok, Thailand will accept up to 30 program participants per session for two sessions per year. Each session will include both academic learning and practical fieldwork components. The program aims to:

- Inspire people to work for a culture of peace and tolerance while enhancing their capacity, knowledge, and skill to do so, in part by generating interaction between practitioners and academics
- Provide advanced international educational opportunities for Rotary Peace and Conflict Studies Program participants chosen from different countries and cultures on the basis of their potential as leaders in government, business, education, media, and other professions
- Provide a means for The Rotary Foundation and Rotarians to increase their effectiveness in

promoting greater tolerance and cooperation among peoples, leading to world understanding and peace."

RYLA Students

Each year thousands of young people take part in the Rotary Youth Leadership Awards (RYLA) program worldwide. Young people are chosen for their leadership potential to attend workshops to discuss leadership skills and to learn those skills through practice.

RYLA aims to:

- Demonstrate Rotary's respect and concern for youth;
- Provide an effective training experience for selected youth and potential leaders;
- Encourage leadership of youth by youth; and
- Recognize publicly young people who are rendering service to their communities.

Vaccination Day for Seniors

Please Hold the Date!

Mark your calendars to spend a morning helping seniors receive the flu vaccine. This year the date is October 7, and will be at the Senior Center on 9th & Sutro. All 7 local Rotary clubs are participating and we need to have a great turnout of volunteers. Approximately 2,000 senior citizens are expected to arrive for vaccinations and St. Mary's, Washoe Medical Center, Northern Nevada Medical Center and Washoe County Health Department will be donating the staffing and vaccines. The Rotary clubs will help with the logistics and traffic flow to keep the seniors moving thought the process. This is the "kick off" clinic in Northern Nevada, so please help us make it a huge success. Contact Carol Martin for more information.

The Rotary Four Way Test of the things we think, say or do

Is it the **TRUTH**?
Is it **FAIR** to all concerned?
Will it build **GOODWILL** and **BETTER
FRIENDSHIPS**?
Will it be **BENEFICIAL** to all concerned?
