Community Service Day Sept. 8

8 members of Reno Sunrise, one Rotaractor and three children of RSR members clipped, raked, trimmed, swept and pulled weeds for 3 hours last Saturday at a nice house across from the Lawlor Events Center on Hillside St. We wore our aprons (bibs, diapers, whatever!) and brought some cheer into the life of a widow with MS with a big back yard with loads of bushes. Brian did yeoman's work trimming a huge crab apple tree. Helen said if she never saw another crab apple it would be too soon. They are nasty tiny round things which roll if you step on them and had to be swept up as soon as they hit the patio so no one fell down. The two Kattleman boys were very grown up and self assured and Andrew Sisia was a sweetheart; helping every way he could. It was fun to see future Rotarians in the making.

This project was not as hard nor as ambitious as our previous fix-it projects and every bit as appreciated by the recipient.

See you next week.

President Martha

Charter Communications

Charter Communications started with cable television more than a decade ago. Now they bring you so much more. They make access to all the latest communication and entertainment technology affordable, useful and fun.

When they began as a small company in 1993, the only product was analog video. Today they are a Fortune 500 company, bringing you the cutting edge in digital entertainment and communications for the home. Charter Communications is a broadband communications company providing a full range of advanced broadband services to the home, including cable television on an advanced digital video-programming platform via Charter Digital™ and Charter High-Speed™ Internet Service. Charter also provides business-to-business video, data and Internet protocol (IP) solutions through Charter Business Division.

With the ability to transmit voice, video and data at high speeds, cable is the primary platform for delivering these services to the home and workplace. Charter is achieving a Wired World vision by developing and deploying advanced interactive services through our broadband infrastructure.

BACK-TO-SCHOOL SHOPPING SEEKING VOLUNTEERS

Rotary Club of Reno Sunrise and Virginia Palmer Elementary School will hold its "Back-to-School" event on Monday, September 25th, from 4:45-5:45 pm. This year, we will sponsor 24 elementary students for a back to school shopping event. There are 13 girls and 11 boys...4 - kinders, 2 - 1st, 4 - 2nd, 3 - 3rd, 3 - 4th, 3 - 5th and 5 - 6th graders.

K-Mart is providing the children a 20% discount on their purchases. Store location is 4855 Summit Ridge Dr, Reno, NV 89503.

The children will arrive by school bus and will be met by Rotary volunteers. Volunteers will arrive NLT 4:30 pm. Each student will be accompanied by a Rotary volunteer throughout his/her shopping trip. This is a great opportunity to help children in need. Less than two hours of your time is needed. You'll be in and out of K-Mart well in time for Monday Night Football.

Please call Don Iddings to volunteer or if you have questions or need additional information at (work) 775-784-5500 or (cell) 530-774-5929.
