Greenes' Better Half

Rotary Club of Reno Sunrise • Chartered – April 14, 1989 • Club No. 26317

Prez sez

Our District Governor gave this to me when he made his official visit in Sept. and I thought you would enjoy reading it.

President Martha

I AM A ROTARIAN

I am a Rotarian. I strive to live my private, social and business life by high ethical standards, which are embodied in the "Four Way Test". I work hard to gain integrity and credibility. I realize that one's integrity and credibility are fragile and I must remain vigilant to avoid losing those traits. I believe in *service above self*. Even though people may accuse me of selfish and ulterior motives for doing good I will do good anyway.

I support and foster the application of the ideal of service in the pursuit of all vocations. I believe that it is my responsibility to help improve the quality of life of those who live in my community by determining community needs and working on projects to meet those needs. I believe that I can encourage and foster the advancement of international understanding, goodwill and peace by participating in a world fellowship of business and professional persons united in the ideal of service.

I know I can make a difference by working on international humanitarian projects, which improve the quality of life for needy people in other countries.

The Rotary Foundation is a key factor in our ability to pursue international projects and I will support the Foundation to the best of my ability.

I enjoy the fellowship of Rotary Club meetings and the social events with other Rotarians and their families. Being a Rotarian is a privilege and I will wear my Rotary pin proudly. Why? Because I am a Rotarian!

This Week's Program

Chris Riche
Nevada Discovery Museum

Nevada Discovery Museum Overview

The Nevada Discovery Museum, set to open in Spring 2008, is about families, fun and learning. This hands-on children's museum is designed to inspire the curiosity, creativity and understanding that leads to the lifelong success of children and their families as they experience the joy of learning together. Located in the 55K sq. ft. former Reno City Hall at the corner of Center and Liberty Streets with convenient onsite parking, the museum will be easily accessible from across Northern Nevada and within walking distance to other attractions such as the Truckee River, The National Automobile Association, and the Nevada Museum of Art.

It's nearly 20,000 sq. ft. of permanent and traveling exhibit space and over 5,000 sq. ft. of program space ensure a fun and enriching experience for students, families, and tourists as well more than 100,000 of them a year come back again and again.

The Nevada Discovery Museum is well positioned for success. With the positive Feasibility and Funding Studies, its location, completion of both the Exhibit Master Plan and Business Plan, and having raised over \$750,000 prior to the start of the capital campaign, the project has entered its capital campaign well positioned for success.

If you like to learn more about the Discovery Museum or how you can contribute to the success of this endeavor, please contact Gretchen Bietz, Director of Development, at (775) 772-1512 or Chris Riche, Executive Director, at (775) 852-5276.

International Service – John Albrecht (2007)

Vocational Service – Ron Simpkins (2007)

Director at Large – Mike Clifton (2008)

Director at Large – Harvey Miller (2009)

Christmas Gifts for Virginia Palmer School Students

Katrina Fries, Virginia Palmer School, reports that our Rotary Club of Reno Sunrise project to sponsor Christmas gifts for students was "awesome."

Sunrise Rotary members sponsored sixty-eight children. Each child received 5 to 6 gifts. The grade/ages of the children ranged from kinder to grade 6. All gifts were wrapped and numbered appropriately for each child which made the distribution of gifts was very easy. Two gifts arrived "late" on Friday, 12/22/06 and Katrina called the parents to pick up the gifts. Christmas break started a couple days earlier. She is looking forward to this year's project.

Don Iddings

Meet Fellow Rotarians

Hans Wolf told me that I needed to join a new rotary club that was being formed and I liked the idea of "giving back" to the community and I thought Hans was a pretty smart guy so I said yes.

In 1989 when Reno Sunrise Rotary was founded my kids were small, I had lots of brown hair and Fettig Construction was just getting off the ground. Sunrise Rotary is an organization that is interesting, solid, and friendly with fascinating speakers. Rotary was an important element through my career in construction and continues to be a significant part of my life. Through the years I have been involved in the club serving on several boards and committees, participating in career coaching, Virginia Palmer landscaping, many fund raisers and lots of parties. Perhaps one reason I belong to Rotary can be illustrated by the shopping day for Virginia Palmer students at the beginning of the school year. It touches my heart to see the excitement of a child receiving a new backpack and a pair of shoes. This simple act exemplifies what Rotary is all about and shows the real character of Rotarians.

Since joining Rotary my kids have grown up and graduated from college (Matt, civil engineering, UNR, 2004), (Ashley, psychology, Trinity Western University, Langley, British Columbia, 2006) and my beautiful wife and I recently celebrated 30 years of marriage.

One benefit of Rotary that I really enjoy is visiting other clubs. We have traveled from the Florida Keys to western Canada and many points in between. The absolute best club I have ever attended is Reno Sunrise. The worst was at Pepperdine University in Malibu (the president lacked the diplomatic skills of President Martha).

I value my Sunrise family and look forward to growing really old in this club.

Charlie Fettig

CLUBS FOR MAKE-UP

Monday

Reno – Harrah's - 12:00 PM
Incline Village – Sierra NV College - 12:15 PM

Tuesday

Carson City – CC Nugget – 12:00 PM
Reno Central – Peppermill – 12:00 PM
Reno Centennial Sunset – Tamarak – 6:00 PM
