### HUG HIGH MISSION STATEMENT

Hug High is an innovative community of small schools, expecting all to think, work, and act with excellence and integrity, preparing each student to graduate and become a productive member of society.

At Hug High School We Believe

That We Should:

1. Help students "learn to use their minds well"
2. Emphasize depth over breadth
3. Apply goals to all students
4. Personalize teaching and learning
5. Embrace the metaphor "student as worker"
6. Require students to demonstrate mastery through exhibition
7. Stress unanxious expectation, trust and decency
8. Consider teachers as generalists with a commitment to the entire school

9. Develop budgets that reflect CES priorities

10. Model democratic and equitable practices

\*\*\* Hug belief statements adopted from The Ten common Principles of the Coalition of Essential Schools. For more information [www.essentialschools.org](http://www.essentialschools.org)
