Lake Tahoe Shakespeare Festival

The Lake Tahoe Shakespeare Festival began modestly in 1972 at Sugar Pine Point State Park on the west shore of Lake Tahoe. The New Shakespeare Company presented eight performances during its inaugural season. The Lake Tahoe Shakespeare Festival continued there for four years, until it ran into scheduling conflicts over the use of Sugar Pine Point's Ehrman Mansion.

In 1976, the company and Nevada State Parks agreed to hold the performances at Sand Harbor - even though it was considered to be a less accessible location. A bare-bones stage was hastily built for just over \$1,000 in materials and labor. In 1976, our first year at Sand Harbor State Park it is estimated over 500 people attended each of twelve performances.

Marriage Counseling.....

A husband and wife came for counseling after 15 years of marriage. When asked what the problem was, the wife went into a passionate, painful tirade listing every problem they had ever had in the 15 years they had been married.

She went on and on and on: neglect, lack of intimacy, emptiness, loneliness, feeling unloved and unlovable, an entire laundry list of unmet needs she had endured over the course of their marriage. Finally, after allowing this to go on for a sufficient length of time, the therapist got up, walked around the desk and, after asking the wife to stand, embraced and kissed her passionately as her husband watched with a raised eyebrow.

The woman shut up and quietly sat down as though in a daze. The therapist turned to the husband and said, "This is what your wife needs at least three times a week. Can you do this?"

The husband thought for a moment and replied, "Well, I can drop her off here on Mondays and Wednesdays, but on Fridays, I golf."
