20th Annual John Haliwell Sporting Clay Event
Rotary Club of Reno Sunrise
Harvey Miller, h_miller@sbcglobal.net

From Exchange Student Kate O'Hara, Brisbane, Australia:

“Hello from Brisbane! My host family here is very nice, they live in a suburb of Brisbane, about twenty minutes from the city. They are an older couple, who are actually Sri Lankan, I'm staying with them for three months before switching to my next host family. I'm attending St. Aidan's, a private all girls school while I'm here; it is pretty different from my school in Reno, especially the uniforms we have to wear. I have already seen a bit of Brisbane, my counselor took me up Mt. Coot-tha, which is one of the highest points in Brisbane that overlooks the city. I have seen some wild kangaroos too, that live in some of the more rural areas around here. I hope everyone in the club is doing well, I just want to thank you again for sponsoring me, my exchange has been great so far!

From, Kate O'Hara

September is New Generations Month and the perfect time to focus on the young adults and children of our communities. Around our District:

- Rotarians are making plans to sponsor an Interact or Rotaract Club.
- Many are busy welcoming a new inbound RYE student AND beginning to recruit outbound candidates for next year.
- Clubs throughout the District are budgeting for sending students to our world-class Camp RYLA
- Projects are being planned to help reduce child mortality.
- School supplies, backpacks, nutritious meals, smoke detectors, new books, playgrounds, immunizations, esteem building activities, Scouts and 4-H, projects to encourage math & science

achievement, ethics & The 4-way test....SO many service projects for and with our young people.
